This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

**Usage guidelines**

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

**About Google Book Search**

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. HOWARD, Duke of NORFOLK; Earl of Arundel, Surrey, and Norfolk; Baron Howard, Fitz Alan, Clun and Oswaldestre, and Maltravers; Earl Marshal, and hereditary Marshal of England; premier Duke, Earl, and Baron of England, immediately after the princes of the blood royal; F. R. and A. S.; Baron Mowbray, Howard, Legrave, Braose of Gower, Warren, Greystock, Furneval, Verdon, Lovetot, and Strange of Blackmere. [*Creations*, Baron Fitz Alan, Clun and Oswaldestre, and Earl of Arundel, by descent from John Fitz Alan, created Earl of Arundel, 1243; Baron Mowbray, Segrave, Braose of Gower, Warren, Maltravers, Greystock, Furneval, Verdon, Lovetot, and Strange of Blackmere, respectively by descent from the families of those names; Baron Howard, 15 *Oct.* 1470; Earl of Surrey and Duke of Norfolk, 28 *June*, 1483; Earl of Norfolk, 6 *June*, 1644; Baron Howard of Castle Rising, 27 *March*, 1669; Earl of Norwich, 19 *Oct.* 1672, but the two latter titles became extinct in 1777. *Residences*, Arundel Castle, Suss.; Worksop Manor, Notts.; Henfold, Surrey; and Farnham, Bury St. Edmunds, Suff. *Town House*, 26, St. James's Square] quarterly; first, gu. on a bend, betw. six cross crosslets fitchee ar. an escutcheon or, charged with a demi lion ramp. pierced through the mouth with an arrow, within a double tressure flory counterflory of the first,* for *Howard*; second, gu. three lions pass. guard. in pale, or, in chief a label of three points ar. for *Brotherton*; third, chequy, or and az. for *Warren*; fourth, gu. a lion ramp. ar. armed and langued az. for *Mowbray*: behind the shield, two truncheons, *or* marshal's staves, in saltier, or, enamelled towards each end sa. being the insignia of the earl marshal of England.—Crest, on a chapeau gu. turned up erm. a lion statant guard. the tail extended, or, gorged with a ducal coronet ar. Supporters, dexter, a lion; sinister, a horse, both ar. the latter holding in the mouth a slip of oak vert, fructed ppr. Motto, *Sola virtus invicta*.

* This additional bearing is particularly illustrative of an augmentation of honour, which was given as a reward by King Henry VIII. to Thomas, Earl of Surrey, for his great and signal valour, in defeating James IV. King of Scotland, who, at the head of 50,000 men, had entered England, ravaged part of Northumberland, and was met by the Earl in Flodden-Field, with little more than one half the number, where the Scotch king was totally defeated and slain; but, notwithstanding this heroic conduct, for which he was likewise raised to the Dukedom of Norfolk, he afterwards fell under the jealousy of the king, was attainted of treason, and became a sacrifice to false suggestions, and implacable resentment.

*Symonds*, [Coleby, Suffield, Cley by the Sea, Great Ormsby, and Runham Hall, Norf.] per fesse, sa. and ar. a pale and six trefoils, slipped and counterchanged. Early in the reign of Henry VII. the younger branch of Cley changed their coat, to az. three trefoils, slipped, or.—Crest, a demi swan, with wings expanded, ar. holding in the beak a trefoil, slipped, az. Towards the close of this reign, the Suffield branch took for their coat, sa. a dolphin, naiant, embowed, devouring a fish, both ppr. The various branches of this descent, sometimes bore the dolphin without the fish; but generally quartered with the old coat: the Ormsby branch almost uniformly so; sometimes, indeed, the old coat was in the first quarter, and sometimes the dolphin, as may be seen in many ancient pedigrees, carvings on monuments, and about the mansion, and on the hatchments, in Great Ormsby and Yarmouth Churches.—Crest of the Ormsby branch, a dolphin, naiant, embowed, devouring a fish, both ppr. Mottos, over the crest, *Rectus in curvo*; and under the arms, *Dum spiro spero*. High Sheriff of Norfolk, 1756.

N.B. The Ormsby branch is now the representative one of those of Coleby, Suffield, and Cley: that of Runham is a younger branch of the Ormsby family.
